MEDICAID BULLETIN

TO: FQHCs, RHCs, Family Practice, and Ob/Gyn Providers

SUBJECT: Training Workshop – SBIRT

The South Carolina Department of Health and Human Services (SCDHHS) is offering training to Medicaid enrolled Federally Qualified Health Clinics, Rural Health Clinics, Family Practice, and OB/GYN providers on Screening, Brief Intervention, and Referral to Treatment (SBIRT). SBIRT is an agency initiative, in partnership with other stakeholders, to help identify and offer treatment to pregnant beneficiaries who may have alcohol or other /substance dependence, depression, or domestic violence.

Training will be provided through the use of Webinars being held on various dates and times beginning April 5th. For a complete list of Webinar dates and to register, please visit www.scmehicaidprovider.org. Registration will be limited to fifty (50) participants per session.

If you are unable to access the Web site, please contact the South Carolina Medicaid Provider Service Center at 1-888-289-0709. Select option 5 to speak with a PSC customer service representative.

Your continued support of the South Carolina Medicaid Program is appreciated.
